

Congratulations on your purchase of the AWE Tuning Exhaust System for 05-> Cayman/Cayman S and Boxster/Boxster S. Exquisite hand built quality with industry leading performance distinguishes this exhaust system from all others.

Parts list:

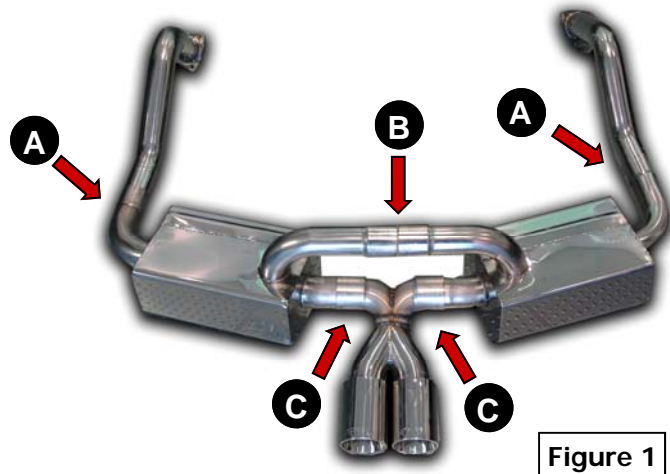

- 2 exhaust muffler can (driver and passenger side specific)
- 2 exhaust muffler inlet pipe (driver and passenger side specific)
- 2 2.25" t-bolt band clamp
- 2 header to muffler pipe gasket
- 2 3/8" aluminum spacer (for 2009-> Cayman/Boxster install only)
- 2 M8 bolt and washer (for 2009-> Cayman/Boxster install only)
- 1 AWE Tuning exhaust tips with clamps (if ordered)

Installation of this exhaust system is very straight forward.

Installation of this exhaust can be completed on jack stands or ramps. Never work under a vehicle only supported by a jack. If you do not feel comfortable installing this system yourself, contact a local professional for installation.

Installation notes and tips:

- 1. Supplied 2.25" t-bolt band clamps are used to secure the muffler inlet pipes to the mufflers at Points A in Figure 1.
- 2. Reuse the OEM sleeve clamp at Point B.
- 3. If the optional AWE Tuning tips were purchased, use the supplied 2.25" t-bolt band clamps at Points C.
- 4. Reuse all factory hardware to fasten the AWE Tuning muffler to the car.

- 5. When fastening the AWE Tuning muffler to the car, ensure that the factory hanger is "pre-tensioned" properly. Loosen the two bolts at arrows A in Figure 2 and push up on the assembly until 2-3mm of rod protrudes past the bracket (at arrow B), and then re-tighten the bolts.

Paying close attention to this adjustment will eliminate annoying vibrations, drone, and rattles during operation.

- 6. **For 2009-> install: place the enclosed 3/8" aluminum spacers between the factory bracket and AWE muffler on driver side only. Substitute factory bolts with enclosed M8 bolts and washers (do not use spacers and bolts on pre 2009 cars).**

Thank you for choosing A.W.E. Tuning as your performance automotive parts supplier. Please remember that a performance car is only as strong as its weakest link. Therefore, it is vital that you maintain your vehicle to factory specifications.

By installing or using the purchased product, the Consumer accepts this warranty and any specific Manufacturer warranties enclosed.

Limited Warranty

The following warranty is valid only in the United States and Canada.

The Manufacturer's full warranty applies to all products sold.

Secor Ltd. (A.W.E. Tuning) warrants to the original retail purchaser (Consumer) this product (Cayman/Cayman S and Boxster/Boxster S Muffler) against defects for TWO YEARS.

Upon verification of warranty coverage, A.W.E. Tuning will replace the defective product without charge. This is the only remedy the Consumer has for any loss or damage, however arising, due to nonconformity in or defect of the product. This warranty does not cover consequential damage, loss of time or revenues, inconvenience, loss of use of vehicle, damage to the vehicle or components, or other incidental or indirect damage.

All warranties are void if the product was not installed by a certified auto mechanic, improperly serviced, modified, or used in a way not intended by the Manufacturer. Use of product in Motorsports or Racing conditions is grounds for warranty denial. Motorsports and Racing is an inherently abusive operational condition, and it is impossible to warranty for this type of usage.

The Consumer is responsible for ensuring that the product is installed in a safe and proper manner, and should cease usage of the product immediately if an unsafe or improper condition is noted. If an unsafe or improper condition is noted, the Consumer should then immediately contact the facility where the product was installed or A.W.E. Tuning.

Please contact us first for any warranty claims or explanations of this document.
